## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 28 February 2008 has been entered.

### ***Claim Objections***

2. Claims 1-3 and 9-14 are objected to because of the following informalities: See examiner suggestion below

In claim 1, lines 15-16 "can be " needed to be changed to -- is --.

Similarly, it is noted for claims 2-3 and 9-14.

In claims 12-14, line 1, "recording medium" needed to be changed to -- computer readable medium-- to avoid a 101 rejection.

Appropriate correction is required.

### ***Claim Rejections - 35 USC § 112***

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-16 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 1-3 and 9-14, the recitation "wherein the data was intermittently read from a memory and successively written to the recording medium " is unclear since there is no prior recitation for storing the data into the memory . Further it is not clear whether the data that is stored in the memory is the data before or the data after encoding or recorded data that are recited in the claims .

***Allowable Subject Matter***

5. Claims 1-16 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to HUY T. NGUYEN whose telephone number is (571)272-7378. The examiner can normally be reached on 8:30AM -6:00PM.
